

Our patented shaped ice cubes last longer, giving your customers the ultimate drinking experience.

Ice Machines

FOSTER

# Ice Machines

A range of ice makers using cutting edge technology so the ice is crystal clear and lasts longer in customer's drinks

- Seven ice cuber models with a range of outputs from 25 to 290kg.
- Patented shaped ice is much less inclined to stick together in the ice maker, is harder and lasts longer.

Interest-free credit available over 24 months **ZERO%** (UK only)

**Patented shaped ice** is much less inclined to stick together in the ice maker and is harder.

The spray system **produces crystal clear ice cubes**, which last longer in cold drinks.

### Innovation

Ergonomic food safe retractable lid ensures easy access to the ice.

### Front ventilation system

Front ventilation system allows a significant energy saving and means the ice maker fits perfectly into narrow spaces.

## Specifications

Configurations

Dimensions (w x d x h) mm	340 x 480 x 600	500 x 540 x 690	500 x 580 x 800	700 x 580 x 995	570 x 850 x 1625	770 x 850 x 1665	770 x 850 x 1625	1081 x 825 x 1585	770 x 850 x 1625	1081 x 825 x 1585
Output per 24 hours	25kg	39kg	46kg	81kg	134kg	134kg	205kg	205kg	270kg	270kg
Bin capacity	6.5kg	15kg	22kg	42kg	129kg	181kg	181kg	252kg	181kg	252kg

Note: 150mm gap required either side for airflow. Output figures quoted are based on 10°C water input and ambient air temp of 21°C. Maximum ambient air temp 40°C and 35°C water input temp.

### Available options

- Condensate pump
- Everpure filter, cartridge and head kit
- Everpure water filter & ION clean installation kit

- Ion clean
- Adjustable leg set
- Installation
